

At Premier our pledge is to provide you with professional, knowledgeable, caring staff and environment. We are fully committed to getting you back to your desired level in function. We expect your full commitment to your treatment plan in order to accomplish this.

If you have to cancel an appointment for any unforeseen circumstance please give us 24 hours notification so we can schedule someone else in your time slot.

As a courtesy we call you to remind you of your appointments.

Unfortunately, if you do not notify us early enough (24 hours) we will charge you \$25.00 on the 3rd infraction.

Our goal is not to penalize you, but our time (as is yours) is valuable. **We appreciate you choosing Premier Physical Therapy for your treatment.**

Thank you,

Management
